Patient Portal

Empowering patients to take a proactive role in managing their health

How do I sign up?

Note: You must have a valid e-mail address to use Patient Portal.

1. Tell clinic receptionist you want to sign up for the Patient Portal.
2. You will receive an e-mail. In the e-mail click "accept invitation to My RMHMT." This should open a new webpage.
3. Follow the steps outlined on the new webpage.
4. After you are signed up, visit <https://rmhmt.iqhealth.com/> to access your patient portal. Log-in page pictured below.

The sign-up link expires after 90 days. If you need a new link, please contact clinic receptionist.

This is the log-in page.

How to message your healthcare team: (messages routed to clinic nurses)

Accessing Patient Information:

Please let clinic reception know if any information is incorrect.

Accessing Health Information:

Click the "health record" icon at the top of the homepage once you log in to access the screen below.
